

## **Integrity Statement**

The management of Care4Agro B.V. (AgroCares) attaches the utmost importance to the principles of independence and impartiality in providing reliable, independent and impartial services. Care4Agro relies on objective evidence and information in which decision-making is not influenced by the interests of other parties. AgroCares understands the importance of impartiality in the performance of its activities; adequate (preventive) measures are taken at every (potential) possibility of conflict of interest to ensure impartiality. Management and (external) employees performing work for AgroCares are required to act in an impartial manner and sign a confidentiality and independence declaration to that effect.
